

## Enoch Franklin Harvey Hart Memorial Academic Scholarship Application

Enoch means dedicated! Our Enoch was dedicated to his Creator first and foremost. He was dedicated completely to a life of perfection but before he left, he was dedicated to loving his family. He was given to us a short time; however, his time in our hearts and minds is not short, rather it's always. With him in our hearts and in our minds, what better way to see examples of him and learn from him than through the hearts and minds of others. We have set up the Enoch Franklin Harvey Hart academic scholarship in the amount of (two) \$2500.00 scholarships. Through the application process, we may get a glimpse of where he might have been as an angel planting seeds in the young lives of children's minds and hearts that led them to this place and time, a Senior in high school, preparing to begin the fruition of those seeds.

A one-time scholarship will be awarded to two seniors that are planning on attending college in the fall 2022. Each recipient must have a 3.0 or higher GPA and must show example(s) of dedication.

The criterion for the application is simple. "Enoch means dedicated" in 1000 or more words write an essay of a time in your life when you were dedicated to something that was very important to you. The deadline for the application is to be turned in to the guidance counselor by December 10, 2021. The two chosen recipients of the scholarship will be notified on January 28, 2022. The scholarship funds will be sent to the respective college of the recipients.
