

Hello!

I hope this letter finds you and yours well as we begin this 2019-2020 school year. This summer, I have been busy collaborating with my partners in the Top Teacher Test Prep network, and I am excited to continue my work with students.

Thank you for choosing me as a partner in education for your family! I truly enjoy my work with you! I am happy to continue to offer workshops and other academic services in the following areas:

- Standardized Test Preparation (ACT & SAT Workshops)
- Post-Secondary Planning services, including College Selection guidance and College Application assistance
- Individualized Academic Tutoring for all content areas (Pre-K thru 12)
- Organization and Learning Strategies

I invite and encourage you to take advantage of workshops. These provide hands-on, minds-on work and are effective for all learners. I have limited availability for tutoring, so please share your needs with me at your earliest convenience. I will do my best to accommodate and/or to refer you to my qualified partners.

Thank you again! I look forward to serving your family.

Sincerely,

Bridget Johnston Mountjoy, B.S., M.A.
